

BEAUX ARTS LONDON

JONATHAN LEAMAN

*As Above So Below*

16 NOV - 17 DEC 2011

PRESS RELEASE

Beaux Arts London is pleased to present *As Above, So Below*, a major show for Jonathan Leaman that has been 6 years in the making.

Leaman's large-scale paintings, sometimes measuring almost 2 metres in height, are alarmingly detailed. These mesmerising and unnerving surfaces have taken Leaman years to complete, a fact that comes as no surprise once you fully realise the depth of detail in each work. These intense paintings are quite obviously the product of someone who, whilst having mastered his craft, is obsessive about painting.

In an uncanny but very direct manner, his work conveys sensations, atmospheres and feelings. His technique is astounding because of this ability to paint both what is visible and what is not. Viewing this exhibition may be eerie and sobering but it will most definitely be an unforgettable experience.
