Gouache on paper

54.5 x 69 cms (21 x 27 inches)

Provenance

Waddington Galleries, London. Private Collection.

Description

The gouaches reveal a careful balancing of colour and the flowing of colour into the paper creating luminous, playful compositions, which display a multitude of shapes and forms.

'For a very long time now I have realised that my over-riding interest is colour. Colour is both the subject and the means; the form and the content; the image and the meaning, in my painting today'.
